Drunken Monster Nov 01 2022 Di daerah Jalan Ganesha, saya inget SBY. Aduh, kenapa inget SBY? Ini pasti gara-gara dulu, waktu Pemilu Presiden. Waktu itu saya mencoblos dia. Mencoblos SBY. Tapi, asli bukan bersumber dari hati nurani saya. Itu lebih karena memenuhi suruhan anak saya, yang saya bawa ikut ke dalam bilik suara. Itu disuruh Timur yang waktu itu berumur 5 tahun. Tetapi janganlah ini kita bahas banyak-banyak. ("Jalan ke Mana-Mana") "Ini Buku Berbahaya." -Prof. Dr. Bambang Sugiharto Buku ini adalah perayaan ide, karnaval anarki wacana. *The Land of Five Towers (English Edition)* Aug 06 2020 "Alif had never set foot outside of West Sumatra. He passed his childhood days searching for fallen durian fruit in the jungle, playing soccer on rice paddies, and swimming in the blue waters of Lake Maninjau. His mother wants him to attend an Islamic boarding school, a pesantren, while he dreams of public high school. Halfheartedly, he follows his mother's wishes. He finds himself on a grueling three-day bus ride from Sumatra to Madani Pesantren (MP) in a remote village on Java. On his first day at MP, Alif is captivated by the powerful phrase man jadda wajada. He who gives his all will surely succeed. United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at the clouds on the horizon, seeing in them their individual dreams of far-away lands, like America and Europe. Where would these dreams take them? They didn't know. What they did know was: never underestimate dreams, no matter how high they may be. God truly is The Listener. The Land of Five Towers is the first book in a trilogy written by A. Fuadi—a former TEMPO & VOA reporter, photography buff, and a social entrepreneur. He went to George Washington University and Royal Holloway, University of London for his masters. A portion of the royalties from the trilogy are intended to build Komunitas Menara, a volunteer-based social organization which aims to provide free schools, libraries, clinics and soup kitchens for the less fortunate. *Resolution* Nov 20 2021 A. N. Wilson's powerful new novel explores the life and times of one of the greatest British explorers, Captain Cook, and the golden age of Britain's period of expansion and exploration. Wilson's protagonist, witness to Cook's brilliance and wisdom, is George Forster, who travelled with Cook as botanist on board the HMS Resolution, on Cook's second expedition to the southern hemisphere, and penned a famous account of the journey. Resolution moves back and forth across time, to depict Forster's time with Cook, and his extraordinary later life, which ended with his death in Paris, during the French Revolution. Wilson once again demonstrates his great powers as a master craftsman of the historical and the human in this richly evoked novel, which brings to life the real and the extraordinary, brilliantly drawing together a remarkable cast of characters in order to look at human endeavour, ingenuity and valour.

**Childhood** Oct 08 2020 A rediscovered masterpiece: an unblinking view of the Holocaust through a child's eyes Told from the perspective of a child slowly awakening to the atrocities surrounding him, Childhood is a searing story of the Holocaust that no reader will soon forget. As five-year-old Jona waits with his mother and father to emigrate from Nazi-occupied Amsterdam to Palestine, they are awakened at night, put on a train, and eventually interred in the camps at Bergen-Belsen. There, what at first seems to be a merely dreary existence soon reveals itself to be one of the worst horrors humanity has ever created. A triumph of heartrending clarity and dispassionate amazement, Childhood stands tall alongside such monuments of Holocaust literature as The Diary of Anne Frank, Elie Wiesel's Night, and Primo Levi's Survival in Auschwitz. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. **Afterlife** Jul 25 2019 Soon to be a major motion picture from Imagine Entertainment and producers Ron Howard and Brian Grazer. Between life and death lies an epic war, a relentless manhunt through two worlds... and an unforgettable love story. The last thing FBI agent Will Brody remembers is the explosion—a thousand shards of glass surfing a lethal shock wave. He wakes without a scratch. The building is in ruins. His team is gone. Outside, Chicago is dark. Cars lie abandoned. No planes cross the sky. He's relieved to spot other people—until he sees they're carrying machetes. Welcome to the afterlife. Claire McCoy stands over the body of Will Brody. As head of an FBI task force, she hasn't had a decent night's sleep in weeks. A terrorist has claimed eighteen lives and thrown the nation into panic. Against this horror, something reckless and beautiful happened. She fell in love... with Will Brody. But the line between life and death is narrower than any of us suspect—and all that matters to Will and Claire is getting back to each other. From the author of the million-copy bestselling Brilliance Trilogy comes a mind-bending thriller that explores our most haunting and fundamental question: What if death is just the beginning?

**Conflicts of Interest** Mar 01 2020 María Amparo Ruiz de Burton, the recently discovered nineteenth-century novelist, broke many of the boundaries that circumscribed the life of both women and Hispanics in the southwestern territories of the United States. Not only was she the first Hispanic novelist to write English, but her courage and resolve took her into the circles of governmental and financial power where very few women had tread before. Conflicts of Interest captures the conflicted personality of María Amparo Ruiz de Burton, a woman pulled in different directions by tensions of class, race, gender, and nationality. The trajectory of Ruiz de Burtons life through her correspondence makes for a compelling and revealing narrative, one that brings to life the evolution of discourse and culture in the Southwest as it was becoming integrated in the United States a process which, some might argue, continues today. This volume is as complete a collection of the Ruiz de Burton letters as is possible, given the imperfect historical record. Included are various personal and business documents and a collection of articles about her family. Among her correspondents were such important historical figures as Samuel L. M. Barlow, E. W. Morse, Prudenciana Moreno, and Platón Vallejo. But this album is not a simple collection of letters and documents; rather, researchers Sánchez and Pita have made great efforts to reconstitute Ruiz de Burtons life and times through their analysis and commentary.

**All The Young Men** Apr 01 2020 All The Young Men, a gripping and triumphant tale of human compassion, is the true story of Ruth Coker Burks, a young single mother in Hot Springs, Arkansas, who finds herself driven to the forefront of the AIDS crisis, and becoming a pivotal activist in America's fight against AIDS. In 1986, 26-year old Ruth visits a friend at the hospital when she notices that the door to one of the hospital rooms is painted red. She witnesses nurses drawing straws to see who would tend to the patient inside, all of them reluctant to enter the room. Out of impulse, Ruth herself enters the quarantined space and immediately begins to care for the young man who cries for his mother in the last moments of his life. Before she can even process what she's done, word spreads in the community that Ruth is the only person willing to help these young men afflicted by AIDS, and is called upon to nurse them. As she forges deep friendships with the men she helps, she works tirelessly to find them housing and jobs, even searching for funeral homes willing to take their bodies – often in the middle of the night. She cooks meals for tens of people out of discarded food found in the dumpsters behind supermarkets, stores rare medications for her most urgent patients, teaches sex-ed to drag queens after hours at secret bars, and becomes a beacon of hope to an otherwise spurned group of ailing gay men on the fringes of a deeply conservative state. Throughout the years, Ruth defies local pastors and nurses to help the men she cares for: Paul and Billy, Angel, Chip, Todd and Luke. Emboldened by the weight of their collective pain, she fervently advocates for their safety and visibility, ultimately advising Governor Bill Clinton on the national HIV-AIDS crisis. This deeply moving and elegiac memoir honors the extraordinary life of Ruth Coker Burks and the beloved men who fought valiantly for their lives with AIDS during a most hostile and misinformed time in America.

**Buyology** Aug 18 2021 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

**Inconsistencies in Greek and Roman Religion. 1, Ter Unus** Aug 25 2019 This is the first of a two-volume collection of studies in inconsistencies in Greek and Roman religion. Their common aim is to argue for the historical relevance of various types of ambiguity and dissonance. The first volume focuses on the central paradoxes in ancient henotheism. The term 'henotheism' -- a modern formation after the stereotyped acclamation: #EIS O QEOS# ("one is the god"), common to early Christianity and contemporaneous paganism -- denotes the specific devotion to one particular god without denying the existence of, or even cultic attention to, other gods. After its prime in the twenties and thirties of this century the term fell into disuse. Nonetheless, the notion of henotheism represents one of the most remarkable and significant shifts in Graeco-Roman religion and hence deserves fresh reconsideration.
