The end of one world marks the beginning of another... Prepare yourself for a ride like no other. Are you ready? ***This is the revised edition to take care of a few pesky errors! - 8.21.18*** **WHAT FANS OF THE LAST WAR ARE SAYING...** "This is the best so far. And why is that? Well because it is a reliable alternative reality. The focus is not just survival but the description of human behavior, thoughts and ethical conundrums. Character development is very strong and the book addresses all the male/female issues being struggled with today. Ryan Schow is one of the first writers I have read that discusses suicide as an escape from an untenable situation. What would you rather be, a survivor or good person killed?" - Christopher La Londe, Amazon Reviewer ????? "Incredible. Loved it! This book pulled me in from the beginning and kept me absolutely hooked to the very end. I could not put it down!! I felt like I was living through mayhem with this family, navigating seemingly impossible odds, feeling the despair of their situation at times and glimmers of hope along the way. As is the case in his other books, I love the way this author continually finds ways to weave humor into even the most dire of situations. I truly enjoyed the characters and their unforgettable journey through a city I know well, but came to envision in a whole new light. This really is a must read!" Coach, Amazon Reviewer ????? "Wow, what a story! The author managed to weave a tale of action, depth of personality and realism around an apocalyptic event that grabs you by the throat and does not let go to the very last page. I was delighted to hear that it is the first of a series! Don't miss jumping aboard and enjoying the thrill..." - Dusty, Amazon Reviewer ????? **READING ORDER OF THE COMPLETE LAST WAR SERIES:** **The Last War** **The Zero Hour** **The Ophidian Horde** **The Infernal Regions** **The Killing Fields** **The Barbarous Road** **The Terminal Run** Categories: Post Apocalyptic Survival Fiction, EMP, Action, Adventure, Science Fiction, Dystopian, Women's Adventure, Men's Adventure, Teen and Young Adult Science Fiction
