[Fortune-Telling Book for Brides](#) Aug 30 2022 The perfect gift for any bride-to-be, this book reveals how to bring good fortune to any wedding celebration. Unveiling the true meaning behind everything from flower varieties and color combinations to auspicious wedding dates and symbols of affection, it illuminates what each preparation and promise foretells for the bride and groom. Filled with charming illustrations and other traditional information, this is the ideal present to bring along to an engagement party or bridal shower.

[The Book of the Mutability of Fortune](#) Jul 25 2019 Christine de Pizan (ca. 1364-ca. 1431) has long been recognized as France's first professional woman of letters, and interest in her voluminous and wide-ranging corpus has been steadily rising for decades. During the tumultuous later years of the Hundred Years' War, Christine's lone but strong feminine voice could be heard defending women, expounding the highest ideals for good governance, and lamenting France's troubled times alongside her own personal trials. In *The Mutability of Fortune*, Christine fuses world history with autobiography to demonstrate mankind's subjugation to the ceaselessly changing, and often cruel, whims of Fortune. Now, for the first time, this poem is accessible to an English-speaking audience, further expanding our appreciation of this ground-breaking woman author and her extraordinary body of work.

[The Golden Book of Fortune-Telling](#) Sep 26 2019 With a beautiful golden package and a broad range of fortune-telling, this brilliant little gift book is an eye-catching guide to understanding the future for anyone curious about what fate has in store for them. Behind the golden cover and gold page edges, it dives into the meaning of names, zodiac signs, and birthdays, unveils the significance behind friendships, color choices, and love interests, and provides fun and entertaining predictions for everything, from career to self-fulfillment, romance, and health. A companion to the bestselling *Fortune-Telling* series, *The Golden Book of Fortune-Telling* invites amateur astrologists, fortune-tellers, and mystics to uncover what is foretold and attract good fortune wherever they go.

[Fear and Fortune](#) Jan 23 2022 Mongolia over the last decade has seen a substantial and ongoing gold rush. The widespread mining of gold looks at first glance to be a blessing for a desperately poor and largely pastoralist country where people's lives were disrupted by the end of the USSR and tens of millions of livestock were killed in devastating droughts in the early 2000s. Volatility and uncertainty as well as political and economic turmoil led many people to join the hopeful search for gold. This activity, born out of uncertain times, poses an intense moral problem; in the "land of dust," disturbing the ground and extracting the precious metal is widely believed to have calamitous consequences. With gold retaining strong ties to the landscape and its many spirit beings, the fortune of the precious metal is inseparable from the fears that surround mining. Tracing the continuities and discontinuities between human and nonhuman worlds, Mette M. High follows the paths of gold as it is excavated and converted into "polluted money," entering local shops and Buddhist monasteries, joining the illegal gold trade, and returning as "renewed" money for the "big bosses" of the gold mines. High has done several years of fieldwork in Mongolia, spending time with the "ninjas," as the miners are known locally, as well as the people who disapprove of their illegal activities and warn of the retribution that the land and its inhabitants may suffer as a result. This book is about radical change, or as many Mongolians put

it, when life becomes "strange" and "chaotic." High has gained a deep understanding of the processes by which Mongolians square a morally questionable activity with the lure of profit. How do they involve themselves with tainted sources of money, and can it ever be cleansed and made usable? Addressing how our lives and those of others are intimately intertwined, *Fear and Fortune* offers an expansive and capacious approach to understanding the high stakes involved in human economic life.

The House of Fortune Aug 18 2021 The sequel to the million-copy bestseller *The Miniaturist*, *The House of Fortune* returns us to the mysterious Brandt family in Amsterdam in 1705 for a story of fate and ambition, secrets and dreams, and one young woman's determination to rule her own destiny.

How to Build a Fortune in Commodities Nov 08 2020 Covers all the 20 major commodities, giving trading rules that the professionals use for success. Easy to read and loaded with charts, information and rules. Shows how to earn 360% per year, how to find the best trades, and much more.

Luck, Fate and Fortune Jan 29 2020 The impulse to try to anticipate the future, and make sense of apparently random events, is irrepressible. Why and how the ancient Greeks tried to foretell the outcome of the present is the subject of Esther Eidinow's lively appraisal, which explores the legacy of ancient Greek notions of luck, fate and fortune in our own era, drawing on approaches to cognitive anthropology. Perhaps the most famous of all sites of prediction is the Oracle at Delphi. But the Delphic Oracle is only the best-known example from a landscape covered by oracular sanctuaries; while across the literary genres of antiquity there are myriad tales - such as that of doomed Oedipus - which wrestle with the cruel vicissitudes of fate and fortune. Exploring some of the key ideas of ancient Greek culture that resonate with modern conceptions of destiny, Eidinow examines the ancients' notion of luck as a means to explain daily experiences. Focusing on writers such as Homer, Herodotus, Thucydides and Demosthenes, the author shows how concepts of fate in antiquity changed over time, in response to social and political currents. She draws too on modern cultural texts like "Terminator 2" and "Lawrence of Arabia", demonstrating how the recurring questions 'what if?' and 'why me?' are fundamental to the human relationship with an uncertain future, whether it be in the ancient past or the present day.

The Fortune Teller Sep 18 2021 NOW A USA TODAY AND LOS ANGELES TIMES BESTSELLER From the award-winning author of *The Memory Painter* comes a sweeping and suspenseful tale of romance, fate, and fortune. Semele Cavnaw appraises antiquities for an exclusive Manhattan auction house, deciphering ancient texts—and when she discovers a manuscript written in the time of Cleopatra, she knows it will be the find of her career. Its author tells the story of a priceless tarot deck, now lost to history, but as Semele delves further, she realizes the manuscript is more than it seems. Both a memoir and a prophecy, it appears to be the work of a powerful seer, describing devastating wars and natural disasters in detail thousands of years before they occurred. The more she reads, the more the manuscript begins to affect Semele's life. But what happened to the tarot deck? As the mystery of her connection to its story deepens, Semele can't shake the feeling that she's being followed. Only one person can help her make sense of it all: her client, Theo Bossard. Yet Theo is arrogant and elusive, concealing secrets of his own, and there's more to Semele's desire to speak with him than she would like to admit. Can Semele even trust him? The auction date is swiftly approaching, and someone wants to interfere—someone who knows the cards exist, and that the Bossard manuscript is tied to her. Semele realizes it's up to her to stop them: the manuscript holds the key to a two-thousand-year-old secret, a secret someone will do anything to possess.

Birth and Fortune Feb 21 2022 In this influential work, Richard A. Easterlin shows how the size of a generation—the number of persons born in a particular year—directly and indirectly affects the personal welfare of its members, the make-up and breakdown of the family, and the general well being of the economy. "[Easterlin] has made clear, I think unambiguously, that the baby-boom generation is economically underprivileged merely because of its size. And in showing this, he demonstrates that population size can be as restrictive as a factor as sex, race, or class on equality of opportunity in the U.S."—Jeffrey Madrick, *Business Week*

The Lost Secrets of Fame and Fortune: How to Get - And Keep - Everything You Desire Apr 01 2020 There is, perhaps, no better time than now to go back to the basics. The world has become so chaotic, so out of control, yet with everything that has changed, the desire for fame and fortune will always remain constant. Whether you want to have more money, uncover your true purpose so you can help others, look and feel better, or attract true love, it's now time for you to claim your share. The basics, so simple yet profound, are exactly what Baltasar Gracian Morales has laid out for us in this book. *The Lost Secrets of Fame and Fortune* contains over 300 maxims for getting - and keeping - everything you desire. The keeping is just as important as the getting. We have all witnessed too many people achieve their dreams, have it all, then lose everything as quickly as a sandcastle when the tide comes in. This is NOT the Law of Attraction, and this is NOT the Secret. These are real, actionable, practicable secrets of how to get your share of the fame and fortune you deserve. You can get MORE out of your life. Don't wait, the time to start putting this life-changing principles into action is now!

Natalie Tan's Book of Luck and Fortune Nov 01 2022 Lush and visual, chock-full of delicious recipes, Roselle Lim's magical debut novel is about food, heritage, and finding family in the most unexpected places. At the news of her mother's death, Natalie Tan returns home. The two women hadn't spoken since Natalie left in anger seven years ago, when her mother refused to support her chosen career as a chef. Natalie is shocked to discover the vibrant neighborhood of San Francisco's Chinatown that she remembers from her childhood is fading, with businesses failing and families moving out. She's even more surprised to learn she has inherited her grandmother's restaurant. The neighborhood seer reads the restaurant's fortune in the leaves: Natalie must cook three recipes from her grandmother's cookbook to aid her struggling neighbors before the restaurant will succeed. Unfortunately, Natalie has no desire to help them try to turn things around—she resents the local shopkeepers for leaving her alone to take care of her agoraphobic mother when she was growing up. But with the support of a surprising new friend and a budding romance, Natalie starts to realize that maybe her neighbors really have been there for her all along.

Fortune Is a Woman Jul 17 2021 A runaway heiress . . . a legacy of shame . . . an empire built on blood and revenge . . . The three met in the aftermath of San Francisco's devastating 1906 earthquake—the Mandarin Lai Tsin, a runaway American heiress, and a young Englishwoman. Against all odds they made their dreams come true, building one of the world's largest trading companies and most luxurious hotels. . . . They had only each other—and bloody secrets to bury even as they rose to dizzying heights, wary of love yet vulnerable to passion in its most dangerous forms. . . . The Mandarin would pass his multi-billion-dollar empire only to the women in the Lai Tsin dynasty—along with one last devastating truth. . . . Sweeping from the turn of the century through the 1960's, from the Orient to San Francisco and New York, Elizabeth Adler has written a magnificent novel of new wealth and old privilege, family passions and secret shame, of women surviving, triumphant, in the riveting saga of romantic intrigue.

Fortune-Telling Book of Dreams Sep 06 2020 A handy little reference guide packed with information to help you predict your future through interpreting your dreams. Inspired by a vintage book, this delightful guide deciphers dreams to predict the future. It compiles more than one thousand dream symbols and reveals what they portend for the dreamer. This handy little book is irresistible to pick up; its content is so compelling, it's impossible to put down.

Fortune and Glory Jun 15 2021 "Originally published in single magazine form in FORTUNE AND GLORY 1-3."

Fortune May 15 2021 An audacious, entertaining historical epic spanning continents and centuries, for readers of David Mitchell, Colum McCann, Kate Atkinson, and Eleanor Catton. *Fortune* is a dazzling, endlessly surprising, and gripping historical novel that opens the day Napoleon leads his victorious Grande Armée into Berlin after having conquered Prussia in battle. As crowds throng the streets to witness this momentous event, a handful of lives that briefly touch are sprung from their orbits and set on courses that will take them across Europe and around the world—their fates and desires sometimes intersecting—to strange lands in the Caribbean and South America, the Australian continent and van Diemen's Land, and back to a Europe now transformed. A frustrated general in Napoleon's army, billeted with one of Berlin's finest families. Elisabeth, a passionate young woman living with her aunt in that house. A young man of eighteen years and no particular talent, drawn to the smoky coffeehouses where students debate, whom she spies through a window fornicating with a serving girl at the moment Napoleon makes his grand entrance. An entrepreneur in New World exotica with a passion for shrunken heads, to whose house the young man was led for his tryst. A slave from Suriname, Mr. Hendriks, with his resentful white American companion, who have traveled to Berlin to sell a barrel of electric eels for their master. And a student enamored of philosophy, who will join Mr. Hendricks and the American on their return voyage. Through their stories amid war, cataclysm, colliding cultures, and misadventure, Lenny Bartulin imagines the ways that grand events in extraordinary times can shape the course of ordinary lives.

Fortune-Telling Book of Love Nov 20 2021 The latest addition to the bestselling *Fortune-Telling* series (more than 450,000 sold), this pocket-sized book divines auspicious signs, personalized fortunes, and time-tested spells for attracting love and keeping the flames of affection alight. Yearning hearts will learn the portents of birthmarks and feng shui for fostering love in the home. With vintage-inspired illustrations by Grady McFerrin, gilded edges, and a ribbon page marker, this charming gift book is the perfect token for anyone searching for love, and for those lucky enough to have found it.

Faith and Fortune Jul 05 2020 The author of *The House That Roone Built* expands on his popular article for *Fortune* on "God and Business" to describe what it means to perform at the highest moral and ethical standards while fulfilling the goals and needs of the business world, and examines how this new emphasis on values can promote corporate success. Reprint. 10,000 first printing.

Fortune-Telling Book of Colors Apr 25 2022 The latest addition to the bestselling *Fortune-Telling* series, this pocket-size book divines auspicious signs and offers whimsical insights into all things color. Those hoping to brighten their fortunes will learn the portents of chromatic combinations, the meaning behind color auras, and the astrology of various hues. Featuring an extensive color catalog with vibrantly illustrated interiors, this treasure makes a lovely gift for housewarmings, color enthusiasts, and anyone searching for a little extra luck in life.

The Book of Fortune and Prudence Jun 27 2022 These new translations of Bernat Metge's *Libre de Fortuna e Prudència* (1381) into Spanish (verse) and English (prose) make this key early work by 14th-century Catalonia's most challenging writer available to the wider audience it has longed deserved. As with Metge's masterwork, *Lo somni* (*The Dream*), recently translated by Cortijo Ocaña and Elisabeth Lagresa (Benjamins, 2013), the writing of *The Book of Fortune and Prudence* seems to have been precipitated by a larger crisis in Catalan society, in this case, an all-too-familiar-sounding banking crisis. Drawing on sources ranging from Boethius, to the *Roman de la Rose* to Arthurian fable, Metge unveils the workings of the world through his two allegorical women, *Fortune* (good and bad) and *Prudence*, in a search for consolation in the midst of inexplicable reversals of fortune--those of others, and perhaps his own. But as in the *Somni*, Metge refuses here to offer pat solutions to the crises of his day, offering what is perhaps one of our earliest glimpses of the impact of new ideas coming from Italy in the Iberian Peninsula. The work is written in the popular *noves rimades* form (octosyllabic rhymed couplets) in the challenging mix of Occitan and Catalan common to verse writing in 14th century Catalonia. Cortijo's and Martines's tri-lingual edition, together with its fine introduction and notes, is an extremely valuable contribution as it makes this unduly neglected text of the later Iberian Middle Ages available for students and other readers in a broadly accessible, yet scholarly, form. (Prof. John Dagenais, UCLA)

Natalie Tan's Book of Luck and Fortune Sep 30 2022 Lush and visual, chock-full of delicious recipes, Roselle Lim's magical debut novel is about food, heritage, and finding family in the most unexpected places. At the news of her mother's death, Natalie Tan returns home. The two women hadn't spoken since Natalie left in anger seven years ago, when her mother refused to support her chosen career as a chef. Natalie is shocked to discover the vibrant neighborhood of San Francisco's Chinatown that she remembers from her childhood is fading, with businesses falling and families moving out. She's even more surprised to learn she has inherited her grandmother's restaurant. The neighborhood seer reads the restaurant's fortune in the leaves:

Natalie must cook three recipes from her grandmother's cookbook to aid her struggling neighbors before the restaurant will succeed. Unfortunately, Natalie has no desire to help them try to turn things around—she resents the local shopkeepers for leaving her alone to take care of her agoraphobic mother when she was growing up. But with the support of a surprising new friend and a budding romance, Natalie starts to realize that maybe her neighbors really have been there for her all along.

Bold Fortune May 03 2020 Opposites burn hot enough to melt the snow and ice of an Alaskan winter in this all-new series from USA Today bestselling author Megan Crane. Quinn Fortune is the official protector of all the unspoiled beauty in Lost Lake, Alaska, as the head of the community trust. A rugged frontiersman through and through, he doesn't do soft. But he can't help his fascination with the pink-clad professor who shows up in Lost Lake seeking his approval for her cheerful outsider's proposal about land that isn't hers. Still, he agrees to consider it—if she can handle a month of good old-fashioned Alaska living. He's betting she'll head back to the safety of the Lower 48 within the week. Violet Parrish is a thinker, not a doer, but desperate times call for extraordinary measures—like taking on the Alaskan wilderness. In January. Off the grid. With a mountain man hot enough to melt a glacier. The frozen Alaskan tundra should be no match for Violet's determination, but the sheer immensity of the Last Frontier takes her by surprise—as does her attraction to gruff, impossibly handsome Quinn, and the unexpected heat that burns between them during the freezing Alaska nights...

The Borgias Jan 11 2021 The glorious and infamous history of the Borgia family—a world of saints, corrupt popes, and depraved princes and poisoners—set against the golden age of the Italian Renaissance. The Borgia family have become a byword for evil. Corruption, incest, ruthless megalomania, avarice and vicious cruelty—all have been associated with their name. And yet, paradoxically, this family lived when the Renaissance was coming into its full flowering in Italy. Examples of infamy flourished alongside some of the finest art produced in western history. This is but one of several paradoxes associated with the Borgia family. For the family which produced corrupt popes, depraved princes and poisoners, would also produce a saint. These paradoxes which so characterize the Borgias have seldom been examined in great detail. Previously history has tended to condemn, or attempt in part to exonerate, this remarkable family. Yet in order to understand the Borgias, much more is needed than evidence for and against. The Borgias must be related to their time, together with the world which enabled them to flourish. Within this context the Renaissance itself takes on a very different aspect. Was the corruption part of the creation, or vice versa? Would one have been possible without the other? In this way, the Borgia too represent the greatest aspirations of the Renaissance. Condemning the Borgia is as futile as attempting to exonerate them. Their leadership and their depravity must both be taken into account, for it would appear that they are both part of the same picture. In the nineteenth century the German philosopher Nietzsche would outline his theory of the Will to Power. In the ensuing century this idea would be hijacked by the Fascists and put into ruthless practice. The Borgia were no Fascists, nor were they thinkers of the calibre of Nietzsche: yet it is arguable that they united both the idea and the practice of the Will to Power some four centuries prior to Nietzsche's conception of this guiding human principle. Telling the story of the Borgias becomes both an illustration and an exemplary analysis of the strengths and flaws of this evolutionary idea. The primitive psychological forces which first played out in the amphitheatres of ancient Greece: hubris, incest, murder, the bitter rivalries and entanglements of doomed families, the treacheries of political power, the twists of fate—they are all here. Along with the final, tragic downfall. All these elements are played out in full in the glorious and infamous history of the Borgia family.

Chance Fortune and the Outlaws Jun 03 2020 For as long as he can remember, fourteen-year-old Joshua Blevins has wanted to be a superhero. He has the brains, the passion, and the heart. There's only one problem: he doesn't have any superpowers. But Josh isn't about to let that stop him. Determined not to give up on his dream, Josh enlists the aid of his mentor, Captain Fearless, a retired costumed adventurer, to gain entrance to the Burlington Academy for the Superhuman under the false identity of Chance Fortune—a superhuman with the power of having unnaturally good luck. Masquerading as Chance, Josh rises among the ranks of his fellow students at the Academy, eventually becoming the leader of his own combat team, the Outlaws. Together, Chance and his teammates Psy-Chick, Shocker, Gothika, Space Cadet, Iron Maiden, and Private Justice make new friends, battle new enemies, and ultimately find themselves caught up in a struggle for the fate of the universe. Can Chance and the Outlaws save the universe—AND survive their freshman year? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Reel of Fortune Oct 27 2019

The Empress of Salt and Fortune Oct 08 2020 "Dangerous, subtle, unexpected and familiar, angry and ferocious and hopeful... *The Empress of Salt and Fortune* is a remarkable accomplishment of storytelling."—NPR A Paste Most Anticipated Novel of 2020 A Library Journal Debut of the Month A Buzzfeed Must-Read Fantasy Novel of Spring 2020 With the heart of an Atwood tale and the visuals of a classic Asian period drama, Nghi Vo's *The Empress of Salt and Fortune* is a tightly and lushly written narrative about empire, storytelling, and the anger of women. A young royal from the far north, is sent south for a political marriage in an empire reminiscent of imperial China. Her brothers are dead, her armies and their war mammoths long defeated and caged behind their borders. Alone and sometimes reviled, she must choose her allies carefully. Rabbit, a handmaiden, sold by her parents to the palace for the lack of five baskets of dye, befriends the emperor's lonely new wife and gets more than she bargained for. At once feminist high fantasy and an indictment of monarchy, this evocative debut follows the rise of the empress In-yo, who has few resources and fewer friends. She's a northern daughter in a mage-made summer exile, but she will bend history to her will and bring down her enemies, piece by piece. Praise for *The Empress of Salt and Fortune* "An elegant gut-punch, a puzzle box that unwinds itself in its own way and in its own time. I cannot recommend it highly enough. Gorgeous. Cruel. Perfect. I didn't know I needed to read this until I did."—Seanan McGuire "A tale of rebellion and fealty that feels both classic and fresh, *The Empress of Salt and Fortune* is elegantly told, strongly felt, and brimming with rich detail. An epic in miniature, beautifully realised."—Zen Cho

Gong Hee Fot Choy Book of Fortune revised Aug 25 2019 Foretell the future using a deck of regular playing cards and a divination game, which traces its origins to the principles of astrology and Chinese numerology. The familiar Gong hee fot choy! means "greetings of riches," and confirms the ancient belief that life's odds are three-to-one in favor of prosperity over poverty, success over failure, and good fortune over bad. It is also thought that the future can be forecast--and even influenced--if we know how to interpret the signs and understand their meanings. Each playing card and each house (illustrated on the game board) are identified with a particular outcome. For a glimpse of what the future holds, grab a deck of playing cards and this book. Have fun and may fortune smile upon you.

A Fortune-Teller Told Me Nov 28 2019 An Asia correspondent recalls how, after being warned by a Hong Kong fortune teller not to risk flying, he journeyed through many of the lesser-known corners of Asia by foot, train, bus, car, and boat, witnessing each region's cultural richness and meeting a host of soothsayers and shamans along the way. Reprint. 20,000 first printing.

I Inherited a Fortune! Oct 20 2021 In *I Inherited a Fortune!*, Meyer shares his wisdom, spirituality, and experience that has made him a globally recognized authority in the fields of goal setting, personal success, management and leadership development. The seasoned leader will find it a refreshing reminder of the personal attributes that magnetize and breed success.

Frightfully Fortune Dec 22 2021 Rest when you're dead? It's time for the annual Halloween festival in Sinful, and Fortune, Ida Belle, and Gertie can't wait to suit up and enjoy the food and activities. But when a dead man gallops through the park on a black stallion and slides to a decapitated stop right in front of Swamp Team 3, they know another festival is about to be turned on its head...so to speak. Gil Forrest never won any popularity contests and his dramatic and somewhat horrifying ride isn't going to improve his statistics. But since his body was supposed to be tucked away in a funeral home, no one could explain how it ended up on a horse in the middle of the festival. Everything about the set-up is strange and Fortune, Ida Belle, and Gertie suspect there is more to the Headless Horseman ride than just a tasteless prank. And they plan to find out what it is.

Crash Boom! Dec 30 2019 *Crash Boom!* is a book about independence, courage, resourcefulness, entrepreneurship, and success. A Fortune for Your Disaster Apr 13 2021 "When an author's unmitigated brilliance shows up on every page, it's tempting to skip a description and just say, Read this! Such is the case with this breathlessly powerful, deceptively breezy book of poetry."

—Booklist, Starred Review In his much-anticipated follow-up to *The Crown Ain't Worth Much*, poet, essayist, biographer, and music critic Hanif Abdurraqib has written a book of poems about how one rebuilds oneself after a heartbreak, the kind that renders them a different version of themselves than the one they knew. It's a book about a mother's death, and admitting that Michael Jordan pushed off, about forgiveness, and how none of the author's black friends wanted to listen to "Don't Stop Believin'." It's about wrestling with histories, personal and shared. Abdurraqib uses touchstones from the world outside—from Marvin Gaye to Nikola Tesla to his neighbor's dogs—to create a mirror, inside of which every angle presents a new possibility.

A Fortune for Your Disaster Jul 29 2022 "When an author's unmitigated brilliance shows up on every page, it's tempting to skip a description and just say, Read this! Such is the case with this breathlessly powerful, deceptively breezy book of poetry."

—Booklist, Starred Review In his much-anticipated follow-up to *The Crown Ain't Worth Much*, poet, essayist, biographer, and music critic Hanif Abdurraqib has written a book of poems about how one rebuilds oneself after a heartbreak, the kind that renders them a different version of themselves than the one they knew. It's a book about a mother's death, and admitting that Michael Jordan pushed off, about forgiveness, and how none of the author's black friends wanted to listen to "Don't Stop Believin'." It's about wrestling with histories, personal and shared. Abdurraqib uses touchstones from the world outside—from Marvin Gaye to Nikola Tesla to his neighbor's dogs—to create a mirror, inside of which every angle presents a new possibility.

Fortune and Glory Jun 23 2019 Includes an excerpt from the next novel featuring Gabriela Rose.

Flame and Fortune in the American West Mar 25 2022 *Flame and Fortune in the American West* creatively and meticulously investigates the ongoing politics, folly, and avarice shaping the production of increasingly widespread yet dangerous suburban and exurban landscapes. The 1991 Oakland Hills Tunnel Fire is used as a starting point to better understand these complex social-environmental processes. The Tunnel Fire is the most destructive fire—in terms of structures lost—in California history. More than 3,000 residential structures burned and 25 lives were lost. Although this fire occurred in Oakland and Berkeley, others like it sear through landscapes in California and the American West that have experienced urban growth and development within areas historically prone to fire. Simon skillfully blends techniques from environmental history, political ecology, and science studies to closely examine the Tunnel Fire within a broader historical and spatial context of regional economic development and natural-resource management, such as the widespread planting of eucalyptus trees as an exotic lure for homeowners and the creation of hillside neighborhoods for tax revenue—decisions that produced communities with increased vulnerability to fire. Simon demonstrates how in Oakland a drive for affluence led to a state of vulnerability for rich and poor alike that has only been exacerbated by the rebuilding of neighborhoods after the fire. Despite these troubling trends, *Flame and Fortune in the American West* illustrates how many popular and scientific debates on fire limit the scope and efficacy of policy responses. These risky yet profitable developments (what the author refers to as the Incendiary), as well as proposed strategies for challenging them, are discussed in the context of urbanizing areas around the American West and hold global applicability within hazard-prone areas.

A Fortune to Share May 27 2022 Vash Young grew up under harsh conditions in the beginning of the 20th century, but managed to turn deprivation and hardship to wealth and prosperity in the 1930's, when most other people suffered from the effect of the Great Depression. He reveals his secrets in this book, and the advices he gives are just as valid today as they were at the time of its writing. "It describes the only method of salesmanship that is without a flaw, that has no drawback. Its principles are as applicable to advertising as to salesmanship. The first big advertiser who puts into his advertising such a conception toward competition and humility toward his own business will sweep the markets of the country like a prairie fire. Strictly it is not a business book, but in any list of business books it stands, I think, at the top."--from the preface by EARNEST ELMO CALKINS

One Hundred and One Ways to Boost Your Fortune on EBay Mar 01 2020 In *101 Ways to Boost Your Fortune on eBay*, eBay guru Dennis Prince offers 101 proven strategies to help you become the star of your own eBay success story.
