*The Good Corporate Citizen* Jan 19 2022 Corporate citizenship refers to the way a company integrates basic social values with everyday business practices, operations and policies. A corporate citizenship company understands that its own success is intertwined with societal health and well being. Therefore, it takes into account its impact on all stakeholders, including employees, customers, communities, suppliers, and the natural environment. This handbook draws from the author's experience crafting and implementing philanthropic and volunteer strategies with companies such as IBM, Exxon, Mobil, 3M, and General Mills. A step-by-step primer on creating a comprehensive corporate citizenship program, *The Good Corporate Citizen* lays out how companies can maximize this exciting new trend. Doris Rubenstein (Minneapolis, MN) has worked for over 25 years with some of America's most respected nonprofit organizations.

Where is Daniel? Sep 27 2022 On 7 December 2003 Daniel Morcombe disappeared on the Sunshine Coast, while waiting for a bus. For Bruce and Denise Morcombe - the parents of Daniel - and his brothers, Bradley and Dean, it was apparent within hours that something was very wrong. In the first few days following Daniel's disappearance, Bruce and Denise made a promise to their son that they would never ever stop looking for him, and bring who was responsible to justice. 'We will never give up.' As the nightmare of hours became days then weeks, and months and years, the family mobilised to become the moral force behind the longest criminal investigation in Australia's history. *Where is Daniel?* covers the decade-long investigation into the disappearance of Daniel and the extraordinary courage, dignity, persistence and fortitude Bruce and Denise displayed under unbearable circumstances. This determination also applied to Bruce and Denise's desire to mine something positive from the darkest of experiences. They started the Daniel Morcombe Foundation in 2005, to teach children about safety, and have since visited hundreds of schools around Australia. They've established Australia's largest annual child safety day-of-action, 'Day for Daniel', and utilised the funds raised to support other children who have been the victims of abuse. Over a decade later, with Daniel's killer brought to justice thanks to an amazing covert police sting, this is the family's story. *Where is Daniel?* is a testament to the enduring power of love between parents and their child, and the strength and bonds of family to survive.

**The Heidi Conundrum** Oct 28 2022 Milly, an Asian siren, with a violent distressing childhood in rural China then wrapped in an unimaginable conspiracy by unknown powers in Beijing who smuggled her into Hong Kong, provided education through university, a stint at a major bank, learning the art of international money laundering and finally permanent residence arranged in Australia. Where she met Mathew Allen and his diverse property portfolio, thus opportunity created for them to travel to Hong Kong, where Mathew met the principals who controlled the tens of millions of dollars, nefariously secreted away around the world. To control Mathew, the bankers arranged a private

dinner and introduced Heidi a beautiful yet mysterious lady of the night, who by her own design intensified the intrigue as she was no simple honey pot. Her intended seduction metamorphosed as she suddenly envisaged another conspiracy that would fashion her future forward. But Mathew was returning to Melbourne and Heidi was bound to Hong Kong, unless she could come up with another strategy.

*Long Island Golf* Apr 10 2021 When the European sport of golf found its way to Long Island and took root in the Hamptons at Shinnecock Hills in 1891, its journey across the Atlantic served as the opening drive of a recreational era that now spans three centuries. Home to more than 130 golf courses, the area boasts prestigious American clubs overlooking picturesque Atlantic bays and inlets, along with public layouts climbing and descending the region's sloping terrain. Long Island is home to the most popular municipal golf facility in the country, the centerpiece of which is Bethpage Black, "the People's Country Club." Celebrated architects like A.W. Tillinghast, Devereux Emmet, Seth Raynor, and C.B. Macdonald built many of Long Island's famous courses, which have challenged the brightest of golf's stars. International tournaments and star-studded exhibitions have all been decided on Long Island turf, helping it grow into one of the world's most prominent golf settings.

**Letters To 87** Aug 14 2021 Rare photos and heartfelt letters from fans of San Francisco 49ers hero Dwight Clark Football fans will always remember "The Catch" as the moment a dynasty was born. When Dwight Clark received the touchdown pass that sent the 49ers to their first Super Bowl in 1982, an indelible moment was etched into the history of the NFL. Later, as Clark battled ALS, he and sportswriter Matt Maiocco put out a call to friends and fans, asking them to share their memories of this moment. The letters that Clark and Maiocco received tell the story of how the man who wore number 87 brought together a city and a franchise.

*High-level Political Appointments in the Philippines* Nov 17 2021 This book questions the belief that patronage explains poor governance and weak organizations. Its focus is on high-level political appointees in the Philippines, but its implications for development processes and policy are far-reaching. Patronage stimulates the emergence of democracy and welfare, and constitutes formal organizations. So intimately connected is it with the health of democracy and effective organizations that attempts to eradicate patronage only harm social, organizational and democratic life. In developed societies this has meant a growing Puritanism interspersed with bouts of corruption and moral panic; and, as they seek to maintain effective organizations and vibrant democracies, a mounting desire to project their own anxieties and imperfections onto developing countries.

*Guerrilla Marketing for Nonprofits* May 31 2020

The Father of Guerrilla Marketing, Jay Conrad Levinson delivers the first book to adapt the profit-producing principles of Guerrilla Marketing to the world of nonprofits. The nonprofit sector has increased by 65%--a flood of new organizations are vying for donations, competing for volunteers, and carving out their share of the marketplace. Joined by co-authors Frank Adkins and Chris Forbes, Levinson shows nonprofit marketers how to gain the competitive edge they need by replacing their lack of money with the power of time, energy, imagination, and information—allowing them to maximize their impact and raise more money! Armed with time-tested principles, 200 proven weapons of Guerrilla Marketing, and relevant tactics and tools, nonprofit marketers learn how to boost public awareness, increase effectiveness in

recruiting volunteers, mobilize advocates, and raise more money—no matter the state of their finances. • Introduces the “seven golden rules” for fundraising success and recruiting volunteers

• 200 proven weapons of Guerrilla Marketing customized for nonprofits • Covers publicity and social media tactics specific to the nonprofit community • Concepts are illustrated through real-world examples and comparison tables

**April Fool's Diary** Mar 29 2020 The book is a two-part diary. The first part starts in early 2012 and covers a year towards the end of the author's working life as a doctor. The second part covers a four month period in 2019, by which time the author has retired and is facing some of his own health challenges. The diaries are a mixture of detailing some of the everyday trivialities of ordinary existence, coupled with short forays into more serious events, and seemingly random excursions into contemplation of some of life's deeper issues.

**Men in Green** Jan 07 2021 The instant New York Times bestseller from acclaimed Sports Illustrated writer Michael Bamberger—a warm, nostalgic, intimately reported account of golf's greatest generation, and “maybe the best golf book I've ever read” (Bill Reynolds, The Providence Journal). With “exceptional insight into some of America's greatest players over the last half-century” (The Philadelphia Inquirer), Men in Green is to golf what Roger Kahn's The Boys of Summer was to baseball: a big-hearted account of the sport's greats, from the household names to the private legends, those behind-the-curtain giants who never made the headlines. Michael Bamberger, who has covered the game for twenty years at Sports Illustrated, shows us the big names as we've never seen them before: Arnold Palmer, Jack Nicklaus, Tom Watson, Curtis Strange, Fred Couples—and the late Ken Venturi. But he also chronicles the legendary figures known only to insiders, who nevertheless have left an indelible mark on the sport. There's a club pro, a teaching pro, an old black Southern caddie. There's a tournament director in his seventies, a TV director in his eighties, and a USGA executive in his nineties. All these figures, from the marquee names to the unknowns, have changed the game. What they

all share is a game that courses through their collective veins like a drug. Was golf better back in the day? Men in Green weaves a history of the modern game that is personal, touching, inviting, and new. This meditation on aging and a celebration of the game is "a nostalgic visit and reminiscence with those who fashioned golf history...and should be cherished" (Golf Digest). [Uncle John's Bathroom Reader Tees Off on Golf](#) Feb 26 2020 Fore! Calling all Swingers, Duffers, and Big Berthas! Uncle John's Bathroom Reader Tees Off on Golf takes a fresh, funny swing through the front and back nine. Uncle John's Bathroom Reader Tees Off on Golf is flush with fascinating facts about the origins of this royal and ancient sport. Since 1987, the Bathroom Readers' Institute has led the movement to stand up for those who sit down and read in the bathroom (and everywhere else for that matter). With more than 11 million books in print, the Uncle John's Bathroom Reader series is the longest-running, most popular series of its kind in the world. Where else could you learn about the greatest animals on the greens (Tiger, Shark, Golden Bear), the world's best courses (think St. Andrews), and the world's most dangerous links (watch out for land mines!)? You may not be PGA material, or even know the difference between a pitching wedge and a spatula, but with Uncle John's tips and trivia, you'll have plenty to talk about while you hunt for your ball in the rough. Read all about... \* Golfers' nicknames \* The best tournament finishes in history \* The origins of caddies, the LPGA, and the PGA tour \* Strange (but real) rules \* And much more!

[Emerging Sports as Social Movements](#) Jul 01 2020 This volume examines the rise of an emerging sport as a grassroots effort (or "new social movement"), arguing that the growth of non-normative sports movements occurs through two social processes: one driven primarily by product development, commercialization, and consumption, and another that relies upon public resources and grassroots efforts. Through the lens of disc golf, informed by the author's experience both playing and researching the sport, Joshua Woods here explores how non-normative sports development depends on the consistency of insider culture and ideology, as well as on how the movement navigates a broad

field of market competition, government regulation, community characteristics, public opinion, traditional media, social media and technological change. Throughout, the author probes why some sports grow faster than others, examining cultural tendencies toward sport, individual choices to participate, and the various institutional forces at play.

**The Golf Book of Days** Jul 25 2022 Sure to delight every links enthusiast, this compendium of golf facts, trivia, anecdotes, and anniversaries presents a fascinating history and celebration of the game in a highly browsable day-by-day format. Classic games, birthdays of golf greats, the history and evolution of golf rules, equipment, and courses are all included, with an emphasis on golf's "Olympian heroes." Each entry contains a brief essay on an event or person associated with that day, such as: January 1, 1932: The United States Golf Association standardizes the golf ball. April 8, 2001: Tiger Woods wins the Masters, thus winning all four major "Grand Slam" championship tournaments in one calendar year. More than just a book of facts and dates, The Golf Book of Days is an affectionate look at "this most elegant of games." This fact-packed volume deserves a place on every golfer's bookshelf.

**With Charity For All** Dec 06 2020 Each year, the average American household donates almost \$2700 to charity. Yet, most donors know little about the American charitable sector and the nonprofit organizations they support. In *With Charity For All*, former NPR CEO Ken Stern exposes a field that few know: 1.1 million organizations, 10% of the national workforce, and \$1.5 trillion in annual revenues. He chronicles the many flaws in the charity system, from tax-exempt charities such as bowl games, roller derby leagues, and beer festivals, to charitable hospitals that pay their executives into the millions, to--worst of all--organizations that raise millions of dollars without ever cracking the problem they have pledged to solve. *With Charity For All* provides an unflinching look at the philanthropic sector but also offers an inspiring prescription for individual giving and widespread reform.

**Principles of Marketing** Apr 22 2022 This user-friendly textbook offers students an overview of each aspect of the marketing process, explored uniquely from the value perspective. Delivering value to customers is an integral part of contemporary marketing. For a firm to deliver value, it must consider its total market offering - including the reputation of the organization, staff representation, product benefits, and technological characteristics - and

benchmark this against competitors' market offerings and prices. *Principles of Marketing* takes this thoroughly into account and ensures that students develop a strong understanding of these essential values. The book also looks in detail at the impact of social media upon marketing practices and customer relationships, and the dramatic impact that new technologies have had on the marketing environment. Written by a team of experienced instructors, *Principles of Marketing* is an ideal companion for all undergraduate students taking an introductory course in marketing.

**Seven Days in Utopia** Jun 12 2021 NOW A MAJOR MOTION PICTURE starring Robert Duvall and Lucas Black This book is about influence and inspiration and a deeper, more profound way of looking at life. The story is based on thousands of athletes who author and performance psychologist Dr. David Cook has counseled, and the great mentors and teachers from whom he has learned. Told through the lives of two characters—an eccentric rancher with a passion for teaching truth, and a young golf professional at the end of his rope looking to escape the pressures of the game—they represent each one of us in our various stages of growth. And through them we are reminded that, in life, we must be willing to coach and be coached. Life is never the same once you've been to Utopia. "Read it. Devour it. Keep it as a reference book. You'll be glad you did. Golf's Sacred Journey is a remarkable and encouraging story with an entirely different approach on how to succeed in your golf game."—Zig Ziglar, leading motivational expert and bestselling author "This book is full of wisdom that will enhance your game and I believe it just may change your life."—David Robinson, NBA MVP, 1992 Olympic Gold Medalist, Two Time World Champion
